Leadership development is a process which helps enhance the capacity of individuals to perform in leadership roles within organizations. LDOs of RBI, DDMs of NABARD and LDMs of commercial banks play an important leadership role in ensuring implementation of various development oriented policies of RBI, such as the Lead Bank Scheme, and of Central Government and State Governments. As part of their job role, they are required to interact, negotiate, impress upon various interest groups and thereby need to channelise various leadership qualities to achieve the desired objectives. This programme is designed to provide inputs on effective coordination, communication, leadership and negotiation skills.
